“ Pat Sullivan shares two features with every successful comedian I’ve worked with — he’s funny and he’s professional. What puts him above most is that he’s also a nice guy to work with. I’ve watched him perform in front of thousands at large theaters, and at smaller ‘special events’ with the same results. He’ll make you and your audience laugh. That’s why I’ll book him again, and again, and again...”

Dave Schwensen, Principal DS Entertainment. Author of “How to Be a Working Comic: an Insider’s Guide to a Career in Stand-Up Comedy,” and Former Talent Coordinator for A&E’s An Evening at the Improv.” The Los Angeles Improv and the Original Improv in New York City

“ Patrick spent a lot of time preparing for this event. He talked with employees and toured our warehouse to get a feel for our employee group and culture. He is truly what he advertises. I would never hesitate to hire him again.”

“ Your material was fresh, the audience interaction outstanding and the end result was a successful show. We would be pleased to present you in the future!”

“ I have always believed that the best comedians are the ones that don’t have to resort to sexual, racial or religious jokes to be ‘funny.’ ...you are without a doubt one of the best comedians I have viewed!”
